I surrender to that SadGuru who is the eternal bliss, the bestower of supreme happiness, the One, who is the embodiment of wisdom, who is beyond duality, who is omnipresent, to whom the Supreme goal is giving the Enlightenment experience, who is eternal, pure and unshakable, who is the silent spectator of all thought processes, who is beyond emotions, who is without the three qualities called Sattva, Rajas and Tamas.

People who understand everything is number become wealthy just like that. Wealth is nothing but understanding number that's all.

Wealth is not something outside from you; it is extension of what is you.
