If you decide you are going to be alive only as long as your human body is alive, then you are caught!

Caught in this Bhu Mandala, means the planet earth.

(Source: 6 September 2019 - Manifest powers knowing "You are eternal!")

Once you come to the conclusion, you are going to be alive only as long as your body is going to be alive - you are caught. Now all kinds of ignorant thought current will start flourishing in you, then you will be waiting to get hurt, understand, that is the worst part.

Be informed, you are going to be
existing forever.

Every time you remember you are going to be eternal - you conquer a disease, you conquer a negative pattern, you detox yourself. And very important thing, you make your body rejuvenate itself.

Understand, “You are eternal.”

You do not die when your frame dies.

“I am eternal.”

So all the other things, actually this the biggest boon - *“Oh, anything changes,” all your anger, pain, jealousy, nothing is you.* All that has no root over you. They may be like a parasite but it can be just cut. The moment you stop supplying blood and energy to them, they’ll just dry and fall out.

“You are eternal.” Whatever is not eternal is not you.

- Incompletion, that is not eternal then it is not you.
- Anger, it is not eternal then it is not you.
- Ups and downs, it is not eternal then it is not you.
- Jealousy, it's not eternal then it is not you.

“You are eternal.” Whatever is not eternal is not you.

- Your ability to manifest is Immortal
- Your ability to manifest Paramaśivatva is Immortal

There is part of you which never dies, which is eternally alive, your consciousness, your bio-energy. There is part of you, which dies.

Unfortunately, you associate yourself with the part which dies, but you draw confidence from which does not die. *It is like just by smelling the food, you feel you ate and you are fulfilled. Smell can never fill your stomach. Only if you eat, it can fill your stomach.*

You are eternal life!

*Nainam Chindhanthi Shasthraani, Nainam Dahathi Paavakaha |
Na Chainam Kledayanthapo, Na Shoshayati Marutaha ||*

You can neither be cut by a weapon, nor be burnt by fire, or made wet by water, or can be dried by air. You are eternal life!

Drop all the ideas, complete with all the ideas, incompletions, which tell you that you can be violated. You can't be violated.

The belief that you can be violated is the worst violation that can happen to you. You can neither be violated in body, nor in mind, being, emotion, or in any level. Anything which makes you believe you can be violated is the violation!
