The following Darśan of the super conscious mutation manifestation of Paramaśiva with Darśan of Bhagavān Paramaśiva and the SPH Nithyānanda Paramashivam –awaken health and well being. Our recommendation - print these deities, frame them and keep them in your altar, puja room so then keeping a plate (brass/silver/bronze) in front of their Darśan you can offer your gratitude.

Chant the Mahāvākya, remember Paramaśiva, remember He Has come down in the form of Nijavatar, my Guru The SPH Nithyānanda Paramashivam. Connect with seeking and receive your answer!

This form of the Bhagavān Paramaśiva is also called the Jvarahara Murthy. In this form the Lord is seen with three faces and three legs. Bhagavān is dancing in this pose.

Those who have a high fever if you worship this incarnation of Paramaśiva, the fever will come down.

Ways to worship - To bring down fever an abhishekam (sacred bath) with (non-violent, organic) cow's milk curd. Archana (offering flowers) with white lily and naivedyam (food offering) of dry ginger on Mondays and Wednesday.

24. Jvarabhagnā Murthy

Bhagavad Gita, 4th chapter, Jnana Sanyasa Yoga, 12th verse -

“kanksantah karmanam siddhim yajanta iha devatah |
ksipram hi manuse loke siddhir bhavati karma-ja ||”

Translation - “Those who long for the result of an action worship with rites the divine energies, for in this mortal world, the success of an action comes immediately”

The sacred secret of this verse is, every action done in the cosmos becomes an independent energy. When an incarnation does even a small action, that very action becomes an independent intelligence. That intelligence becomes a deity.. When you connect with those independent intelligence, those deities, whatever you want immediately happens. Whatever result you want, worship with rites those divine energies who are the personification of those specific actions.

The action of Bhagavān Paramaśiva saving Markandeya from death, became an independent deity, this form of Kalanthakar Kalasamhara. Worship Him for longevity.
