Plan Your Trip

Migration is one of the greatest freedom human beings have; not only you are empowered to migrate to other countries only human beings are empowered, hard wired to migrate to parallel universe.

Plan your trip – you will be introduced to the higher lokas, the inner space which will just raise you to the experience – what will you do with it? And where would you like to go is up to you!

Lets start

Swarga Loka

Svar loka is absolute peace and joy, all upgraded, life than planet Earth

तद् नकोटिस्वर्लो कः स्वर्गिवर्य समाश्रयः

॥adūnakoṭissvarlokaḥ svargivarya samāśrayaḥ|||

“Svarloka, the dwelling place of the prominent denizens of the heaven is above the Bhuvanloka.”Its height is 85 lakhs of yojanas

Verse 10.116, Mrigendra Āgama

Mahar Loka

Mahar Loka is much higher than Swarga loka - higher level beings go there,
Mahar loka is highest peak possibilities

महो द्विकोटिर्यत्रास्ते मरीच्यादि मुनिव्रजः।

maho dvikoṭīryatrāste marīcyādi munivrajah||

Maharloka, the abode of Marici and

such other eminent sages is above the Svarloka, raising to the height of 2
crores of yojanas, Verse 10.116, Mrigendra Āgama

Jana Loka

Jana loka is the place where you can exist in multiple bodies at a time.
Anyone who experiences Jana loka loses all violence, because you know
you exist in everyone

जनोऽष्टकोट्यवच्छिन्नः पितृजगु जनाश्रयः ॥

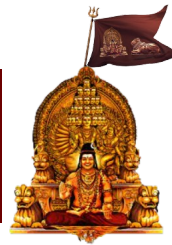

jano'sṭakotya vacchinnah pitrajahnu janāśrayah||

Above this is the Janoloka where the Pitrus and the sages such as Jahnu and
others are living. Its height is 8 crores of yojanas
