From morning till night at least hundred and eight times, declare that “You are Paramaśiva,” and command something in your life with will persistence from Paramaśiva to manifest as you want.

What all can I command?

It can be as simple as curing your headache without coffee or as complicated as solving the problem given by your boss or as difficult as getting out of some conspiracy done against you, anything

How do I command?

Just decide, tell yourself, “My Guru has told me I am Paramaśiva. And He claims He is authorized by Paramaśiva to initiate this sacred truth to me.

Let me just try to play with it with integrity.

Let me not be violent to disprove the truth.

Let me have the patience to play with it whether it works or not.

Be careful -

If you are not violent, angry, “Aah, I will disprove!”

Then even if you disprove, you are proved.

Because what you want to do is done so

You are Paramaśiva
