Traverse to Higher Lokas through Powerful Cognition

Maharloka is much higher than Svarloka. Higher level beings go there. Even if you have broken only one pattern... due to the cognition:... *“Swāmiji is Paramaśiva, He told me so I will listen to Him and break this pattern.”* With this powerful cognition, even if you have broken one pattern, it may be dropping non-vegetarian, or dropping this obsessive compulsive disorder, or dropping the postponing pattern, or dropping the laziness in the morning, early morning laziness, or dropping your shyness, dropping your fear to speak in public, even any one pattern if you have dropped, cognizing My Paramaśivatva: *“Because Swāmiji is Paramaśiva, I should listen to Him than to my patterns.”* With this cognition even if you broke only one pattern, you are qualified for the initiation. You are qualified to be airlifted, conscious lifted to higher lokas. You are qualified to be fueled, empowered with the tejās, ojas and kuṇḍalinī śakti to get into the Svargaloka, Maharloka,

Janaloka, Tapaloka, Brahmāloka, Kailāsa itself, Mahākailāsa itself. Above the Brahmāloka is Parandhama, Vaikuṇṭha. Then above the Vaikuṇṭha is the space where the Kailāsa and above the Kailāsa, Mahākailāsa... exists. **Drop that self-doubt, self-hatred, self-denial.**

Connecting with All Who Exists Raises You to Mahar Loka

- Who exists is Paramashiva.
- Feeling you exists is Ishwara .
- Connecting now with all of you who exists, making you feel multiple body in the same time is Parameshwara.

Once this happens, you will raise to Mahar Loka, and download akashic records, the whole thing oneness, Mahar Loka, Akashic records, will happen simultaneously.

Face Yourself in Mahar Loka with Ferociousness

Anything which clicks with you as possible,
that is yourself in Mahar loka.

The part, the whole which you deny due to
your self-doubt, self-hatred, self-denial
(SDHD), that personality, that identity, that
self is the Svarga Loka self of you. Ah, I feel
this is possible even for me, This possibility
exists, even I feel it is possible for me, that
personality, that self of you which clicks with
the higher possibility is your identity,
yourself in Maharloka, Mahaloka.

When you decide ferociously with the super
determinism, will persistence to face your
highest possibility which is clicking with you,
you manifest yourself, you face yourself
spontaneously in Maharloka.
