Where Paramaśiva goes around begging, taking away all the impossibilities from people, taking away all the incompleteness from people, completing them – that action is the incarnation Bhikshadana

All of this which Paramaśiva Bhagavān Bhikshadana is carrying – the Damaru, the fire, and the demon at His feet – all this is gift by the Taraka Vana Rishis. They sent all these to destroy Paramaśiva.

The Taraka Vana Rishis, because they can do anything they want through the yaga-yagnas, they know the science, they thought they have become God and no need for God, they are the ultimate! So Paramaśiva has to make them understand. It is like many people telling, ‘Oh, I am okay. I am happy. Okay. Why do I need spirituality?’ Okay, you are happy now. But even one small imbalance...Over!

So, Paramaśiva has to come and tell them, ‘Fool, you are happy because everything is moving as you want! But just even a small imbalance, you won’t be able to handle that. So, raise yourself to the space where there can never be any imbalance.’
