Through this course on Luxury of Simplicity the SPH Nithyānanda Paramashivam initiates us into the sacred secrets to be constantly, inspired, excited, alive, radiating! Learn

- The inner-space that decides everything about life
- Constantly hold on to that space, you are Mahadeva, Shivoam, without encouraging the logic which asks for external evidences and external witnesses.
- Just make consciousness as a fuel for your body

What is the greatest luxury in life?

“Luxury of Simplicity”.

“Luxury of Simplicity” means, to keep yourself inspired and excited and enthusiastic, alive. ‘I do not need anything from outside,’ is “Luxury of Simplicity”.

But the simplicity is luxury. It is not poverty. A man who tastes simplicity will radiate grace. The Luxury of Simplicity, it’s the property of Mahadeva.

The ability to be constantly inspired, excited, alive, radiating such complete Inner Image about you, Outer Image, Others Image, and Life Image, that is the simplicity where you do not need anything from outside to excite you, either your senses or your sensitivity or your sensibility. If you need something to excite your senses, that is materialistic, pleasures of five senses. If you need something to excite your sensitivity, that’s the need for love, romance, emotional fulfillment. If you need something externally to excite your sensibility, that is need for knowledge and purpose, all that. But a man who does

not need all the three to keep himself enthusiastic, exciting, radiating, energetic, only he knows what is simplicity.

The inner-space that decides everything about life. Whether somebody is simple or not is not decided by the dress he is wearing, or the jewels he is having, or the car he is driving, or the house he is living. Somebody can be living in a poorest and poorest, poorest, most poorest slum, but he may need so many things to excite him from outside. He cannot be enjoying, enriching, exciting himself from his inner-space. Then he is the most luxurious guy. He is not living a simple life, understand. Somebody may be living in a palace, but he doesn’t need anything to excite his senses or sensitivity or sensibility through external way. Nothing externally is required to excite him in all these three levels. Then he is the most simple being, Bhole Nath, Mahadeva!

Freedom is Knowing, You Can Manifest the Life You want just like that!

Freedom is knowing, you can manifest the life you want just like that. Actually, you are free!

Anyone makes you feel you can manifest the life you wanted is planning to exploit you; Your SDHD really does not matter! Your conscious decision matters. For example, I give you one example. Somebody, he decides today onward, “I will consciously surrender myself to Paramashiva, and manifest Paramashiva in me.” Then naturally his self-doubt and hatred and denial; self-doubt, self-hatred, self-denial will wake up and say, “Aah ... what are you talking? You Paramashiva? Paramashiva means He is a creator, destroyer, liberator. He does all the 5 action. He creates, He maintains, He destroys the, pulls out of depression, delusion and He liberates; how can you be Paramashiva?” That your self-hatred, self-denial, ... self-doubt, all that will stand up and start jumping.

Your inner miniature version of your mother-in-law, is your self-doubt, self-hatred, self-denial. I am telling you, consciously your life

never ever gets touched by the impact, effect of self-doubt, self-denial, self-hatred. Only mentally you attack yourself, stop yourself and tie yourself in your couch and start doing Nidrā Devatā Pūjā, Nidrā Devī Samādhi. The beauty of your consciousness is, it does not get affected even by death!

Be Ferocious With Your Boredom & Tiredness

First thing, anything you fill in your logic becomes your imagination, whether Oneness or any decision you take, anything you fill your logic it becomes your imagination. Anything you fill your breadth, your heart, it becomes your visualization. Anything you fill your depth, that becomes your declaration. Then comes time - length, breadth, depth, time. Only anything becomes part of your space, can be ever yours. Till something has not become part of your space, it cannot be yours. It is only your imagination, visualization., declaration - length, breadth, depth. Ferociousness breaks the time layer, removes tiredness, depression, boredom associated to length, breadth, depth, and makes anything as your space.

The ferociousness – time opens. Whenever something happens on the planet earth, when the time layer opens – the Gods and Goddesses showered the flowers.
