**For best learning experience** -Read first then come back to the assessments – then read again! You will see an enhanced learning experience, immediately

## **Listening Assessment**

1. Throughout the world there is a wide-spread growth in interest to learn about Hindu economic principles. What are the 5 reasons the report elaborates upon?
2. Where are we headed? And why Sanatana Hindu Dharma’s Economic Policy is the only answer for our future together on planet Earth? Give 5 reasons. You may use the facts and charts and figures from the book or other reference material and sources.
3. What is the purpose of wealth? And what is wealth? (*people, currency, bank balance, money, joy, abundance,...*)
4. How does Hindu economic policy avoid the problems of economic disparity?
5. Why is charity the focus of Hindu nations and kingdoms? Do you know today as a nation KAILASA has contributed over \$54 Billion in financial aid for the needy and the poor?

## **Intranalyzation Assessment: Free education**

Spend little time with yourself. Sit and pen down *An important core principle of KAILASA’s economy (as specified by Paramashiva in the Agamas) is that anything that increases in value by being shared*

*should be freely available to all e.g. education, health. That way the growth of the individual and the growth of the society is directly aligned.*

- *Just look back into your own upbringing. Would there be a difference in who you are today to what you have become if education would have been completely financed?*
- *What impact has this had on your career, relationships, thinking style, cognition, planning for the future- just sit and see how deep a simple economic decision of free education has influence on our lives.*

### **Expressing Assessment: Hindu Fiscal Structure – Our Way Forward**

*An economy based solely on Hindu principles aims to recreate the enlightenment ecosystem that is described in the Vedāgamas which fueled the unprecedented economic abundance experienced by ancient Hindu civilizations as discussed previously.*

Through this assessment – select one economic principle as described by Sanatana Hindu Dharma and chart out its impact to every level of your life- from real estate value, savings, minimum earnings, market value, possibilities of self-sustainability and future growth.

*Present to friends, community and share the pride!*
